Student Rights and Responsibilities

Student Rights
Western Texas College recognizes that students are both citizens and members of the college community, and neither gain nor lose through their student status any of the rights or responsibilities of other citizens. WTC students are subject to the same federal, state, and local laws as non-students. As members of the college community, they are also subject to the rules and regulations of the college.

Student Grievances and Complaints
Information is available in the Counseling and Advising Office or online at http://www.wtc.edu/students/applications-forms/GrievanceProcedure.html.

Freedom of Inquiry and Expression
Students are guaranteed the freedom of discussion, inquiry and expression, both publicly and privately, in the classroom and through speakers sponsored through student organizations. They are subject to all city, state, and federal law, as well as WTC regulations, which pertain to those freedoms.

Freedom of Responsible Press
The college supports the concept of a student press that adheres to the principles of responsible journalism.

Right to Distribute or Post Printed Materials
Students are permitted to distribute or post handbills, posters, or similar printed information in compliance with the college’s posting policy. Upon approval from the Vice President and Dean of Student Services, students are free to sell merchandise or services, or to obtain contributions for approved clubs and organizations. Proceedings must be used to fulfill the purpose of the club or organization.

Right to Assembly
Students have the right to assemble peacefully as long as the rights of others are not restricted and the normal functions of the college are not disturbed.

Equal Rights
All students are entitled to equal rights under the affirmative action and equal opportunity laws. Students are also protected against unjust or biased academic evaluation, but at the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled.

Freedom from Improper Disclosure
Information about student views, beliefs and political associations which faculty and staff acquire in the course of their work as instructors, advisors and counselors is confidential. Academic, financial aid and disciplinary records will not be released to anyone outside the college without the student’s written authorization. Transcripts shall only contain information about academic status.
Freedom to Examine Records
Students have the right to examine, with an authorized staff member, their own personal records.

Health, Safety, and Security

Student Health Services
The mission of the Western Texas College Student Health Services is to provide students with quality primary health care and education about healthy lifestyles. Student Health Services also provide a full range of primary care, treatment, and referral services, as well as related health education programs. All programs and services are aimed at maintaining the physical and emotional well-being of the Western Texas College student body.

Communicable Diseases
Western Texas College recognizes that students with communicable diseases may wish to engage in as many of their normal pursuits as their condition and ability to perform their duties allows, including attending classes or working. Since these students are able to meet acceptable performance standards, and medical evidence indicates that their conditions are not a threat to themselves or others, the administration of the college should be sensitive to their condition and ensure that they are treated consistently and equally with other students. At the same time, Western Texas College has an obligation to provide a safe environment for all students. A student with a communicable disease is required to report the condition to the Student Services Office, as appropriate. Every precaution should be taken to ensure that a student’s condition does not present a health or safety threat to others. The fact that a student has a communicable disease does not relieve that individual of the requirement to comply with performance standards as long as he or she is enrolled in classes. All efforts will be made to protect the student’s right to confidentiality.

Bacterial Meningitis Immunization
Sec. 51.9192 in Subchapter Z of the Texas Education Code states that a student must show evidence of being immunized against bacterial meningitis. This state requirement applies only to first-time students or transfer students enrolling in public, private, or independent institutions of higher education on or after January 1, 2010 who plan to live in on-campus housing facilities.

What is Bacterial Meningitis?
Bacterial Meningitis is a serious, potentially deadly disease that can progress extremely fast, so take utmost caution. The infection causes an inflammation of the membranes that surround the brain and spinal cord. The bacteria that cause meningitis can also infect the blood. The disease strikes about 3,000 Americans each year, including 100-125 on college campuses, leading to 5-15 deaths among college students every year. There is treatment, but those who survive may develop severe health problems or disabilities.

What Are The Symptoms?
High fever, severe headaches, rash or purple patches on skin, vomiting, light sensitivity, stiff neck, confusion and sleepiness, nausea, lethargy, and seizures. There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body. The more symptoms, the higher the risk. If these symptoms appear, seek immediate medical attention.
How Is Bacterial Meningitis Diagnosed?
Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests. Early diagnosis and treatment can greatly improve the likelihood of recovery.

How Is The Disease Transmitted?
The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

How Do You Increase Your Risk Of Getting Bacterial Meningitis?
- Exposure to saliva by sharing cigarettes, water bottles, eating utensils, food, kissing, etc.
- Living in close conditions (such as sharing a room/suite in a dorm or group home).

What Are The Possible Consequences Of The Disease?
- Permanent brain damage
- Kidney failure
- Learning disability
- Hearing loss, blindness
- Limb damage (fingers, toes, arms, legs) that requires amputation
- Gangrene
- Coma
- Convulsions
- Death (in 8 to 24 hours - from perfectly well to dead)

Can The Disease Be Treated?
Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur. Vaccinations are available and should be considered for:
- Those living in close quarters
- College students 25 years old or younger

Vaccinations are effective against 4 of the 5 most common bacterial types that cause 70% of the disease in the U.S. (but do not protect against all types of meningitis). Vaccinations take 7-10 days to become effective, with protection lasting 3-5 years. The costs of vaccinations vary, so check with your health care provider. Vaccination is very safe - most common side effects are redness and minor pain at injection site for up to two days.

How Can I Find Out More Information?
- Contact your health care provider.
- Contact your local or regional Texas Department of Health office.

Drug and Alcohol Abuse
(Please refer to Policy FLB (Local) Student Rights and Responsibilities, Student Conduct, located in the appendix for further information.)
The Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226, require that students, faculty and staff be aware of the Western Texas College policy to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by its students and employees on school premises or as a part of any of its activities. Western Texas College recognizes that drug and alcohol abuse is a persistent social and health problem of major proportions in our society. Members of the college community, as members of the greater society, may have social, environmental and personal characteristics which could foster such abuse. Western Texas College is committed to taking positive steps to address drug and alcohol abuse through education and enforcement.

**Drugs and Paraphernalia**
The use, possession, sale, or distribution of paraphernalia, narcotics or illegal drugs (e.g., marijuana, ecstasy, cocaine) is strictly prohibited on the campus and in the residence halls of Western Texas College. The unauthorized use of, possession, sale, or distribution of drugs sometimes prescribed for medical purposes (e.g., anti-depressants, amphetamines, barbiturates, and tranquilizers) are also strictly prohibited. Pipes, bongs, hookahs, and the like are not permitted. The Western Texas College Housing Offices reserves the right to confiscate such items, regardless of their decorative purpose. Students are subject to judicial action if they are present in the room when any of the aforementioned drug violations take place.

**Alcohol**
The college prohibits possession, use and/or consumption of alcoholic beverages on campus.

**Controlled Substances (Drugs)**
Western Texas College requires that all students be in compliance with all local, state, and federal laws regarding controlled substances to include, but not limited to their use, sale, possession, or manufacture.

**Western Texas College Sanctions**
*(Please refer to Policy FM (Local) Discipline and Penalties, and Policy FMA (Local) Discipline Procedures, located in the appendix for further information.)*

All students are expected and required to obey the law, to comply with Western Texas College rules and with directives issued by an administrative official in the course of his or her authorized duties. Students are expected to observe standards of conduct appropriate for an academic institution. When the standards of conduct regarding alcohol and drugs are violated, Western Texas College will impose sanctions up to and including suspension or expulsion. College-imposed sanctions are in addition to any legal actions taken by local, state or federal authorities.

**Texas Legal Sanctions**
Students found in violation of any local, state or federal law regarding the use, possession or distribution of alcohol and other drugs (as defined by the Texas Health and Safety Code, Subtitle C. Substance Abuse Regulations and Crimes) will receive the full legal penalty in addition to any appropriate College disciplinary action.

**Referral Services**

**Parking and Traffic Regulations**

Western Texas College offers an open parking policy to its students, employees, and faculty. All students are required to register their vehicles and display a current parking permit. You may obtain a parking permit and a map detailing parking and traffic regulations at the Security Office located in Building 15, Room 113. The college strongly urges students, staff and faculty to abide by parking regulations.

Parking in a loading or fire zone may result in the vehicle being towed. Fire zones are painted red, loading zones are painted with yellow slashes or designated with signs, and visitor spaces are painted white. All other parking, unless designated as “reserved,” is open on a first come basis. The covered parking area is reserved for paying WTC employees, and students are prohibited from parking in this area. Parking violations may result in a warning or ticket with a fine.

There is an escalating scale of fines that accompany parking violations:

- First Offense .......... $25.00  
- Second Offense .... $50.00  
- Third offense .... $100.00

**Violations**

The following violations may be cited by college officials or their representatives:

2. Illegal parking in the handicapped area.  
3. Illegal parking in loading zones & service roads.  
4. Parking incorrectly.
5. Illegal parking in a fire lane.
6. Other violations as defined on the citation.

Payments of fines for parking violations are to be made to the Business Office within one week from the date of the ticket. Unpaid fines may result in a hold being placed on the student’s account. Appeals for parking or traffic violations must be made in writing to the Student Welfare Committee through the Vice President and Dean of Students within three days of the offense.

**Handicap Facilities Map**

Facilities for handicapped access are clearly marked on campus. If a student requests assistance in planning a route, he/she should contact the ADA Accessibility Coordinator in the Counseling and Advising Office.

**Sexual Harassment**

*(Please refer to Policy FFDA (Local), Freedom from Discrimination, Harassment, and Retaliation, Sex and Sexual Violence, online and in the appendix for further information.)*

Western Texas College (WTC) seeks to maintain an educational environment free from any form of discrimination or harassment including, but not limited to discrimination, harassment, and/or violence on the basis of sex in accordance with Title IX of the Education Amendments of 1972.

WTC prohibits discrimination against or harassment of students on the basis of sex in connection with all academic, educational, extracurricular, and other programs of the College, whether they take place in the facilities of the College, at a class or training program sponsored by the College at another location, or elsewhere. This policy applies whether the alleged harasser is a WTC employee, a fellow student, a visitor to the College, or a vendor of the College.

**Understanding Title IX**

Sexual harassment, which includes acts of sexual violence such as rape, sexual battery and sexual coercion, is a form of gender-based discrimination prohibited by Title IX. It creates a hostile environment that has no place on the WTC campus.

**WTC Title IX Coordinator**

The WTC Title IX Coordinator is:

Sheila Williamson
Director of Human Resources
6200 College Avenue
Snyder, Texas 79549
325-574-7602
swilliamson@wtc.edu

Our Title IX Coordinator is available to you and is responsible for:

- Overseeing all Title IX complaints and investigations to provide prompt, fair and equitable resolutions
- Identifying and addressing any patterns or systemic problems that arise
- Being available to meet with students, provide support and answer questions
- Working with other college or university officials
• Coordinating training, education and communication pertaining to Title IX
• Being available to assist school law enforcement employees regarding how to respond appropriately to reports of sexual violence
• Ensuring that our institution carries out its Title IX responsibilities

Title IX of the Education Amendments of 1972 provides that “no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” The law considers harassment or violence based on sex to be a form of discrimination.

Students are encouraged to report sexual harassment/sexual violence. WTC will provide support and put you in touch with the Title IX coordinator and other resources right away. Deterring gender-based discrimination makes our campus a safer, more welcoming place to be.

Sexual harassment, which includes acts of sexual violence such as rape, sexual battery and sexual coercion, is a form of gender-based discrimination prohibited by Title IX.

WTC prohibits discrimination or harassment of all forms, including, but not limited to sexual discrimination, sexual violence, or sexual harassment (including intimidating/bullying behavior based on gender). The College shall exercise reasonable care to prevent and promptly correct discriminating, violent, or harassing behavior and shall develop preventative or corrective measures to address these behaviors. WTC also prohibits retaliation against anyone for reporting discriminating, violent, or harassing behavior or for participating in discrimination or harassment investigations or lawsuits.

**Title IX Definitions**

“Sexual harassment” is defined as unwelcome conduct of a sexual nature which can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature and:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

“Unwelcome conduct” is defined as conduct that is not requested or invited and is reasonably regarded as undesirable or offensive.

“Sexual violence” includes, but is not limited to physical assault of a sexual nature, forceful touching, and/or rape. It also refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability. Sexual violence is a form of unwelcome conduct.

Sexual harassment may involve the behavior of a person of either sex against a person of the other sex or of the same sex, and sexual harassment or sexual violence can be perpetrated by other students, college employees, visitors or third parties contracted by the college.
There are two types of Sexual Harassment:

1. “Quid Pro Quo Harassment” occurs when a campus employee causes a student to believe he/she must submit to unwelcome sexual conduct in order to participate in a college program or activity, or causes a student to believe that the employee will make an educational decision based on whether or not the student submits to unwelcome sexual conduct. It doesn't matter whether the student resists and suffers the threatened harm or submits to and avoids the threatened harm for it to be considered harassment.

2. “Hostile Environment” is when an atmosphere is infused with unwelcome sexual conduct/behavior that is so severe or pervasive that it interferes with an individual’s academic performance or learning environment or creates an intimidating, hostile or offensive environment.

Examples of unwelcome sexual conduct can be verbal, nonverbal, or physical in nature and can include, but are not limited to:

- Making sexual propositions or pressuring students for sexual favors;
- Touching of a sexual nature;
- Inappropriately displaying or distributing sexually explicit drawings, pictures, or written materials;
- Performing sexual gestures or touching oneself sexually in front of others;
- Telling sexual or dirty jokes;
- Name calling and slurs;
- Spreading sexual rumors or rating other students as to sexual activity or performance;
- Circulating or showing e-mails or Web sites of a sexual nature; or
- Intentionally interfering with or physically restricting the movement of another individual.

**Notice of Student Rights and Complaint Process**

Any student who believes he or she has observed or has been the object of sexual discrimination, sexual harassment, or sexual violence has the right to file a complaint with the Title IX Coordinator:

Sheila Williamson  
Director of Human Resources  
6200 College Ave  
Snyder, Texas 79549  
325-574-7602  
swilliamson@wtc.edu

All complaints of alleged sexual harassment, sexual assault or discrimination will be promptly investigated under the oversight of the College’s Title IX Coordinator.

Students may also file a complaint with the United States Department of Education Office for Civil Rights by using the online complaint form at the U.S. Department of Education Office for Civil Rights website.

Please refer to Policy FFDA (Local), Freedom from Discrimination, Harassment, and Retaliation, Sex and Sexual Violence, in the appendix for further information relating to the complaint process.
The Violence Against Women Reauthorization Act
The Violence Against Women Reauthorization Act (“VAWA”) imposes obligations on colleges and universities under its Campus Sexual Violence Elimination Act (“SaVE Act”) provision, Section 304. Although it is called the “Violence Against Women Act,” people of all genders are protected under this federal legislation. People of all genders can be perpetrators as well.

The Clery Act requires annual reporting of statistics for various criminal offenses, including forcible and non-forcible sex offenses and aggravated assault. VAWA's SaVE Act provision adds domestic violence, dating violence, and stalking to the categories that, if the incident was reported to a campus security authority or local police agency, must be reported under Clery.

“Dating violence” means violence by a person who is or has been in a romantic or intimate relationship with the victim. Dating violence can take place in person or via technology, such as repeated texting or posting sexual photos of a partner online without consent.

“Domestic violence” includes asserted violent misdemeanor and felony offenses committed by the victim’s current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.

The National Domestic Violence Hotline
1-800-799-7233

“Stalking” means a course of conduct directed at a specific person that would cause a reasonable person to fear for her, his, or others’ safety, or to suffer substantial emotional distress.

Western Texas College, in accordance with the VAWA, has a prescribed standard for investigation and conduct of student discipline proceedings in domestic violence, dating violence, sexual assault, and stalking cases. WTC Security as well as the Vice President and Dean of Student Services are trained to listen, take your report and guide you to appropriate resources. You’ll receive information about support options and the student disciplinary process, plus how to pursue a criminal complaint - if YOU choose to do so.

Under the federal Clery Act law, WTC must report where and when a crime occurred, but not necessarily who was involved. When it comes to confidentiality, the College will balance the need to keep the campus community safe with protecting your request for confidentiality to the maximum extent possible.

Bullying
Engaging in written, verbal or electronic expression or physical conduct that the Vice President and Dean of Students determines:

1. will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm to student's person or of damage to the student’s property; or

2. is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.
**Harassment**

“Harassment” means threatening to cause harm or bodily injury to another student, engaging in sexually intimidating conduct, causing physical damage to the property of another student, subjecting another student to physical confinement or restrain, or maliciously taking any action that substantially harms another student’s physical or emotional health and safety.

**Hazing**

“Hazing” means any intentional, knowing, or reckless act occurring on or off school property directed against a student, by one person alone or acting with others, that endangers the mental or physical health or the safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include other students. The term includes but is not limited to:

1. Any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity.
2. Any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects the student to any unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
4. Any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, or that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described above.
5. Any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code.

**Procedures for Reporting Incidents**

Any student believing that he or she has been the object of harassment should report any such incident to the Vice president and Dean of Student Services.

**Responses to Reported Incidents**

Every reported incident of harassment will be thoroughly and promptly investigated with the cooperation of the student, and the administration shall respect the confidences and sensitivities of all persons involved in the incident. The concerned student will be afforded protection from retaliation, and the results of any investigation shall be promptly communicated to the student.

Where charges of harassment are substantiated, appropriate corrective action will be taken. Appropriate action might range from counseling to termination, depending on the nature and gravity of the situation. False or malicious reports will subject the concerned student to appropriate action. Appropriate action in this case will range from counseling to expulsion from Western Texas College.
Student Conduct
(Please refer to Policy FLB (Local), Student Rights and Responsibilities, Student Conduct, located in the appendix for further information.)

Western Texas College assumes that students eligible to perform on the college level are familiar with the ordinary rules governing proper conduct and that they will observe these rules as a matter of training and habit.

Cheating
Cheating includes but is not limited to the following: unauthorized assistance in taking quizzes, tests or examinations and/or dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems or carrying out other assignments.

Plagiarism

Conduct of students which may cast unfavorable reflection upon the College will result in the student receiving disciplinary action for misconduct. Notation of disciplinary actions imposed upon students shall be made a part of the student’s permanent file. Noncompliance with adopted policies and standards of conduct is sufficient cause for disciplinary action, including suspension from the College as a final action. Authority for disciplinary action, including suspension from college, is granted to the college administration.

Official Communications
A request for a student to report to a Western Texas College administrative or faculty office may be made by email, letter or telephone. Students are to comply with such a request. MyWTC and wtc.edu are sources of communication to the entire student body. Each student is responsible for frequent checking of these sites and for giving proper heed to such communications.

Student Misconduct
Conduct which reflects adversely upon the student or the College will result in disciplinary action. Examples of misconduct include but are not limited to the following:

During the 84th Texas Legislature, lawmakers passed a law we know as the “Campus Carry” Bill (Senate Bill 11). It allows licensed individuals to carry concealed handguns on academic campuses. In compliance with Texas Senate Bill 11, Western Texas College established a Campus Carry Policy that establishes exclusionary zones, areas of the college campus where concealed carry license holders may not carry handguns at any time. This policy does not apply to commissioned peace officers as defined in Texas Code of Criminal Procedures.

Individuals with a concealed carry license may carry a handgun on the Western Texas College campus with the exception of:

Disciplinary Bodies and Their Functions
At Western Texas College, alleged offenses of students will fall under the primary jurisdiction of one of four campus bodies or officials: the Housing Director; the Vice President and Dean of Student Services; the Student Welfare Committee; and the Disciplinary Appeals Committee. The jurisdiction and function of each group is outlined below.

Traffic Appeals
The Student Welfare Committee has jurisdiction over all traffic offenses at Western Texas College. Appeals to this Board must be submitted to the Vice President and Dean of Student Services within three days of the offense. Any reinstatement fee must be paid within one week of the violation. The rulings of the Traffic Appeals Board are final. For cases involving continued abuse of campus parking or traffic regulations, the Vice President and Dean of Student Services has the final decision.

Director of Housing
All alleged minor offenses occurring in the Residence Halls or Apartments whether by a visiting person or a resident are reviewed by the Director of Housing. The Director has the authority to assess disciplinary measures or refer the case to the Vice President and Dean of Student Services and/or local law enforcement personnel.

Vice President and Dean of Student Services
The Vice President and Dean of Student Services has the overall responsibility for the conduct of Western Texas College students. The Vice President and Dean of Student Services has the authority to assess disciplinary measures and to make recommendations for suspension and expulsion.
Student Welfare Committee

(Please refer to Policy FMA (Local), Discipline and Penalties, Discipline Procedure, located in the appendix for further information.)

When suspension is a possible sanction, an automatic student appeal to the Student Welfare Committee is scheduled for review. The committee shall be composed of a chairperson appointed by the president, and six members (four faculty members and two students). The Vice President and Dean of Student Services will be responsible for the following relative to the hearing before the Student Welfare Committee:

1. Notify the accused, the committee members, and all witnesses of the date, time and place of the hearing at least three days prior to the hearing. Notice to the accused must include specific charges and potential sanctions.

2. Notify the accused of his/her right to an advisor of his/her choice (to advise, but not otherwise participate in the hearing) and his/her right to bring any supporting witnesses. Notify the accused of all witnesses against him/her, allow documentary evidence, and inform the accused of his/her right to cross-examine each witness. Also inform the student that he/she does not have to testify in his/her own behalf, but may be cross-examined if he/she does not testify.

3. Conduct a thorough investigation and obtain evidence and witnesses to present such at the hearing.

4. Advise, in writing, students who are assessed disciplinary suspension by the Disciplinary Appeals Committee their right to appeal and the appropriate procedure to initiate the appeal.

Appeal

Appeal of the Student Welfare Committee decision is to be made in writing to the President of the College within one college district business day of the committee’s decision.

This request for an appeal must include the basic nature and reason for the appeal as well as the student’s own suggestions for resolution and expectation of the appeal.

Discrimination

If you have reason to believe that you, as a student, have been discriminated against on the basis of sex, color, race, national origin, age, or handicap, you should address your grievance in a letter to the chairperson of the Disciplinary Appeals Committee. A hearing will then be set to review your grievance. Appeals follow the same process as in a disciplinary hearing.

Status of Students Awaiting Disciplinary Action

Normally, disciplinary penalties shall not begin until time for appeal has elapsed without an appeal having been made or the entire appeal process has been exhausted. However, should, in the judgment of the Vice President and Dean of Student Services, the physical or emotional well-being of the student or of other students or members of the faculty and staff be endangered, the student shall be temporarily suspended.
Penalties for Misconduct
Penalties for misconduct include, but are not limited to the following, as determined appropriate by the Vice President and Dean of Student Services.

Warning or Reprimand
Reprimand may include, but is not limited to, counseling with or writing a letter to the student. Fines may also be imposed. These actions are cumulative and are considered official college actions recorded in the Student Services Office.

Restriction
It may be determined that a student should be restricted from specified campus facilities as a part of disciplinary action.

Community Service
A student may be assigned to do additional class work or other community service jobs on campus, as determined by the Vice President and Dean of Student Services.

Disciplinary Probation
Disciplinary probation is applied for a stated period with or without specified restrictive conditions. Restrictive conditions may include but are not limited to:

- removing the right of the student to receive any college award, scholarship, or financial aid;
- to occupy a position of leadership in any college or student organization or activity;
- to operate a motor vehicle on campus.

The student is required to show appropriate changes in attitude and behavior during the probationary period.

Disciplinary Suspension
Suspension is normally for a stated period, but never less than the remainder of the semester in which the offense is committed. During suspension, the student shall not attend classes, participate in any college related activity, or be on campus for any reason except for readmission. The status of suspension will appear on the student’s transcript. Readmission from probation will be granted after the suspension period.

Expulsion
Expulsion is the permanent removal from Western Texas College with no opportunity for readmission.

Removal from College Housing
In certain instances, the Vice President and Dean of Student Services may remove a student from college housing and allow him or her to continue attending classes.
Important Information

Class Days
Class-day count begins on the first day of classes as listed in the college calendar for all semester or quarter length classes.

Book Refunds
The Western Texas College Bookstore will repurchase your textbooks provided they will be used again, they are needed, and they are in salable condition. The bookstore follows the standard buy-back procedure of buying for one-half the sale price. There is no guarantee, however, either expressed or implied, that your textbooks will be repurchased. Books purchased for classes that do not run will be fully refunded upon presentation of the book and receipt of purchase. New books must not be marked or defaced in any manner.

Grades and Reports
A grade is assigned for all courses in which a student is regularly enrolled during any semester or term. A grade, once earned and recorded, cannot be removed and may not be changed without the approval of the instructor and the Dean of Instructional Affairs. If a student repeats a course, it is with the understanding that the last grade is the one applied toward fulfillment of degree requirements.

Class Attendance
Punctual and regular class attendance is required of all students attending Western Texas College. When a student has been absent for a period of six hours of instruction, the instructor will report the absences to the Counseling and Advising Office. Students will be contacted by the Counseling and Advising Office to determine their status and the reasons for their absences. Students not responding to counselor or advisor questionnaires concerning absences may be administratively withdrawn from their classes. For each absence, the student must establish to the instructor’s satisfaction the validity of an excuse for absence, and make acceptable arrangements for making up missed work. A student may be withdrawn from all course work for failure to comply with attendance policy. Placement in developmental course work whether by TSI scores or local assessment is under specific attendance requirements. When a class is dismissed for inclement weather, non-scheduled holiday, national disaster, or other unavoidable circumstances, the class is to be made up in a manner determined by the faculty member responsible for the class.

Religious Holy Days
In accordance with Section 51.911 of the Texas Education Code, Western Texas College will allow a student who is absent from class for the observance of a religious holy day to take an examination or complete an assignment scheduled for that day within seven (7) calendar days after the absence. Students are required to file a written notification of absence with the instructor within the first fifteen (15) days of the semester in which the absence will occur. This notice shall be in writing, and acknowledged in writing by the instructor. Religious holy days means a holy day observed by a religion whose place of worship is exempt from property taxation under Section 11.20 of the Tax Code.

Change of Name or Address
Students who have a change in name or address after their last registration must notify the Office of the Registrar prior to the next semester. A student may not register under a name different from that used during the last enrollment without completing the change of name form.

Credit by Examination
If a student feels that he or she possesses the background knowledge and skills required in certain courses offered by Western Texas College, he or she may request to challenge these
courses for credit by examination or by the evaluation of ACT or SAT scores. For a complete listing of courses for which credit can thus be given, refer to the current Course Catalog. For more information, contact the Counseling and Advising Office.

**Scholastic Standards, Progress and Requirements**

It is the philosophy of Western Texas College that every student admitted to register for classes should have the opportunity to demonstrate his or her ability to perform acceptable college-level work. At the same time, however, students are expected to assume responsibility for their actions, which include a mature attitude and dedication, well-defined study habits and regular class attendance. Western Texas College has established minimum academic standards which must be achieved by each student. Both the cumulative grade point average (GPA) and the GPA for their term just completed are taken into consideration after a student has attempted a minimum of twelve (12) semester hours of work at Western Texas College. Students may continue to enroll in succeeding terms so long as they meet or exceed the minimum academic standards.

**Progress Reports**

Students are encouraged to check with instructors periodically to determine their progress in each course. Students can view their term and cumulative GPA's by accessing their unofficial transcript on MyWTC.

**Academic Probation and Suspension**

Term GPA includes all grades earned in all courses at Western Texas College (includes developmental courses) each semester.

Cumulative GPA includes grades earned in all courses at Western Texas College (does not include developmental courses) for all semesters attended.

Students can view their term and cumulative GPA's by accessing their unofficial transcript on MyWTC.

A student is considered in Good Standing if their term and cumulative GPA is above 2.0.

A student is placed on Academic Warning if their term or cumulative GPA falls below 2.0 in any given semester.

A student is placed on Academic Probation if their term or cumulative GPA falls below 2.0 for 2 subsequent long semesters.

A student on Academic Warning or Probation shows Academic Progress if their term GPA is above 2.0 even if their cumulative GPA remains below 2.0.

A student is placed on Academic Suspension if their term and cumulative GPA falls below 2.0 for 2 subsequent long semesters.
**Academic Probation**

Students placed on Academic Probation can only remove this status by showing Academic Progress in the succeeding long semester. Summer and mini sessions do not constitute a semester for this purpose.

Students placed on Academic Probation are not allowed to enroll in mini-terms and are limited to enrolling in one course during the summer sessions. If a student on Academic Probation enrolls in a course during Summer I and does not pass the course with a C or higher, they will not be allowed to enroll in Summer II term.

A student placed on Academic Probation is obligated to know if he/she has satisfied the conditions for continuing in college.

**Academic Suspension**

Students placed on Academic Suspension are not allowed to enroll in courses for one long semester. If a student is placed on Academic Suspension at the end of the Fall term they are not allowed to take classes until the next Fall term. Students placed on Academic Suspension at the end of a Spring term are not allowed to take classes until the next Spring term.

After a semester of enforced withdrawal, the student may then enroll on scholastic probation. Should the student fail to achieve the minimum standard during this probation, the student will be placed on suspension for one calendar year (including mini and summer sessions).

Upon a third scholastic suspension, a student is not eligible for readmission except by special permission of college officials. An ineligible student who registers with the college will be subject to dismissal with forfeiture of all tuition and fees.

A student placed Academic Suspension may appeal the suspension by petitioning, in writing, for admittance through the Admissions Committee. (See the Conditional Admissions Section.) After that time he/she may be readmitted upon approval of proper college officials. He/she will be readmitted on scholastic probation and must satisfy the terms of this probation in order to remain in college.

**Grade Appeal Process**

The student should begin the grade appeal process with a confidential session with the instructor. Should the issue not reach resolution, the student may further appeal to the Division Chair of the department. If a resolution is still not reached, the student may to the Grade Appeals Committee within 24 hours through the Vice President and Dean of Student Services.

**Graduation**

Western Texas College offers four two-year college degrees: the Associate of Arts (A.A.) Degree, the Associates of Science Degree (A.S.), the Associate of Applied Science (A.A.S.) Degree and the Associate of Arts in Teaching (A.A.T.) Degree to students who complete graduation requirements. Hour requirements for Associate of Applied Science Degree will vary with program.
General Requirements for Graduation

a. Meet the admission requirements of the college.

b. Earn at least 60 semester hours of college credit.

c. Complete the Core Curriculum for all degrees except Associate of Applied Science. *

d. Complete required Freshmen Seminar Requirement (EDUC 1300 or EDUC 1100). **

e. For all AA, AAT, or AS degree programs, earn at least 15 semester hours of residence credit at Western Texas College, not including credit by examination. The number of hours of residence credit required in the Associate of Applied Science Degree programs will always be a minimum of 25% of the total degree program. Twelve of these must be of sophomore rank. Earn at least 30% of the hours required for a certificate program through Western Texas College, excluding credit by examination. A student must be enrolled at WTC during the semester graduation requirements are completed.

f. Any deviation from the above must be approved by the Dean of Instructional Affairs or their designee.

g. Earn a grade point average of 2.0 in all courses attempted. A 2.0 grade point average must be earned on course work completed at Western Texas College.

h. Meet all financial obligations to the college.

i. Complete requirements of the “Texas Success Initiative.”

j. Submit the Application for Graduation and pay a $50 commencement fee on or before October 31 for the fall semester and March 31 for the spring semester.

*This requirement may be waived for transfer students using course equivalencies for Core Curriculum obligations.

**New or transfer students who are TSI met in all three areas and have shown success in college level coursework may be exempted from this requirement.

Student Enrollment Status
Each student is held responsible for knowing his or her academic status and for knowing whether he or she is eligible to re-enroll in the college. If it is determined that an ineligible student has enrolled, the student will be dropped immediately. Students who are admitted after attendance at another college who do not meet the minimum academic standards of Western Texas College will be admitted on academic probation.

Family Education Rights and Privacy Act (FERPA)

Guidelines for Release of Student Information
Western Texas College is bound by the Texas Open Records Law, the Family Educational Rights and Privacy Act of 1974 (P.L. 93-380 Educational Amendments of 1974), and the institutional procedures in determining access to the release of student records. If a student does not want
information released, he/she must sign a statement to that effect in the Admissions Office. A copy of the Family Educational Rights and Privacy Act of 1974 is on file in the Vice President and Dean of Student Services’ office.

**Late Registration**
Registration will be closed in accordance with the official Western Texas College catalog. A fee may be charged to those approved for late registration. Late registration more than one week after the regular registration date, but prior to the twelfth class day, will require both dean and instructor approval.

**Transcript of College Record**
A transcript of college work is an official copy of the student's permanent record bearing the college seal and the signature of the Registrar. Copies of the student's transcript are available upon written request from the Office of the Registrar. Transcript request forms can be found online at wtc.edu.

**Degree Plan**
Every degree-seeking student enrolled at Western Texas College is required to have a degree plan on file in the Counseling and Advising Office. Please contact the Counseling and Advising Office located in the LRC/Library or call 325-574-7621.

**Dropping a Class**
Any student wishing to drop a class may do so provided the drop procedure outlined below is completed prior to the date of the last day to drop a class as indicated on the college calendar. Special restrictions apply when dropping a developmental course. Students may drop or add classes from pre-registration through the regular registration day without a fee. In order to drop a class after the regular registration date, a student must obtain a Drop Form from the Counseling and Advising Office, have the instructor of the class he or she is dropping sign the form, and take the form to the Registrar's Office and pay the fee that is required. Students enrolled in off-campus or online courses can drop a class by filling out the drop form located on the WTC website under the student tab and applications/forms: https://www.wtc.edu/dropcourse.html.

**Administrative Withdrawal**
The college reserves the right to withdraw a student from classes if, in the judgment of the college officials, such withdrawal is in the best interest of the student or the college.

**Withdrawal from College**
Any student wishing to withdraw from the college for the remainder of a semester must secure an honorable dismissal through the Registrar’s Office. A request for honorable dismissal may be considered after the student has returned all library books and other equipment charged to him/her, paid all fines and fees, and cleared himself/herself in every respect with the college offices. Withdrawal procedures begin in the Counseling and Advising Office.

Students may withdraw from the institution without grade penalty up to the week before final exams. A student who fails to comply with the above terms will not be recommended to another college or university, nor will he/she be eligible to receive a refund of any fees or deposits. Merely discontinuing class attendance does not constitute a drop or withdrawal. Evening school students must notify the Registrar's Office in writing before they will be officially withdrawn from class.
Distance Learning

Western Texas College provides many distance learning opportunities to students. Most distance learning courses are accessed through the Internet, allowing a student to take certain courses outside the classroom by using an Internet-connected personal computer. Course information and individual lessons are delivered through the WTC course management system, Moodle. Assignments are submitted either directly through the course management system or via e-mail.

Distance learning courses are not easier than on-campus courses. Successful students must be self-disciplined and exercise good study habits. Distance learning courses are of the same quality as classroom-based courses. Students often find that they learn more because they are better able to focus on the course material in an isolated environment.

Anyone eligible to enroll in a course at Western Texas College may enroll in a distance learning course. Distance learning courses fill up fast, so you are encouraged to register early. Contact the Distance Learning office located in the Counseling and Advising Office in the Library (Building 2 Room 104) or by phone at 325-573-8511, ext. 7623 for additional information.

Financial Aid

Western Texas College offers financial aid based upon two award rationales:

1. federal, state, and institutional aid based upon documented financial need, and
2. institutional aid based upon merit and/or participation in a college activity.

Financial Need Based Programs

Application for need-based financial aid requires an analysis of the student's financial circumstances to determine need. The application process used by Western Texas College to perform the analysis is the Free Application for Federal Student Aid (FAFSA). The FAFSA application form is available from the college, high school counselors, and other financial aid offices as well as online.

In order to be considered for financial aid for the Fall and Spring Semesters, a student must complete the FAFSA as early as possible. Priority is given to students that have completed and submitted all their required paperwork by the priority dates for Fall (May 1) and Spring (October 1). Even though the financial aid office will be working as quickly as possible throughout the summer to complete as many files as possible, we will not guarantee that all the files submitted after the priority dates will be completed by the time classes start in the Fall and Spring. All applications will be worked on throughout the year until they are completed. The length of time required to complete a financial aid file will depend on whether the file has been marked for verification or not by the Department of Education, how long it takes the student to submit all the required paperwork and the questions and phone calls that the financial aid office receives. Students interested in making application for financial aid should request detailed information by contacting the Financial Aid Office, Western Texas College, Snyder, Texas 79549 by mail or phone at 325-574-7640.

The following listing very briefly identifies the different financial aid programs. Complete information may be obtained from the Financial Aid Office or other college offices as noted below.

Pell Grant

The Pell Grant is a federal student aid program designed to provide an eligible student with a
foundation of aid to help pay for his/her first undergraduate degree. Eligibility is determined by need analysis (FAFSA), and the award amount is based upon the documented financial need, the number of hours in which a student is enrolled, and the annual federal award schedule.

**Supplemental Educational Opportunity Grant**
The Supplemental Educational Opportunity Grant (SEOG) is a federal grant designed to help students with an “exceptional” financial need pursuing their first undergraduate degree. Eligibility and amount is determined by documented need (FAFSA) and Western Texas College.

**The Texas Public Education Grant**
The Texas Public Education Grant (TPEG) is funded through tuition payments at Western Texas College to assist students demonstrating financial need. Eligibility and amount is determined by documented need (FAFSA) and Western Texas College.

**Texas Education Opportunity Grant**
The Texas Education Opportunity Grant (TEOG) is to provide grant money to enable well-prepared eligible students to attend college. Documented need (FAFSA) and Western Texas College determine eligibility and amount.

**College Work-Study**
College Work-Study (CWS) is a joint federal and Western Texas College program financed with both federal and college funds. The program is designed to provide campus employment to students demonstrating financial need. A college work-study student will generally work 10/12 hours per week with work hours arranged to fit the student’s academic schedule. Eligibility is determined by documented need (FAFSA).

**Loans**
The College participates in the following loan programs:
- Federal Direct Subsidized Loans
- Federal Direct Unsubsidized Loans
- Federal Parent Plus Loans.

Information on how to apply for the loans is located on the Financial Aid page at wtc.edu and in the financial aid office.

**Other Aid**

**Institutional Scholarships**
Students with high academic potential and achievement are invited to apply for all institutional scholarships. Be sure to submit all applications by the deadline, April 13.

**Athletic Scholarships**
WTC offers scholarships for Division I student athletes and a university parallel curriculum designed for students transferring to the university level. Western Texas College is affiliated with the National Junior College Athletics Association (NJCAA) and participates on the Division I level in Region V of the NJCAA and Western Junior College Athletic Association Conference.

FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION  FFDA
SEX AND SEXUAL VIOLENCE  (LOCAL)

Note: This policy addresses complaints of sex discrimination, sexual harassment, sexual assault, and retaliation targeting students. For legally referenced material relating to discrimination, harassment, and retaliation, see FA(LEGAL). For sex discrimination, sexual harassment, sexual assault, and retaliation targeting employees, see DIAA.

Statement of Nondiscrimination
The College District prohibits discrimination, including harassment, against any student on the basis of sex or gender. Retaliation against anyone involved in the complaint process is a violation of College District policy and is prohibited.

Discrimination
Discrimination against a student is defined as conduct directed at a student on the basis of sex or gender that adversely affects the student.

Sexual Harassment
By an Employee
Sexual harassment of a student by a College District employee includes unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A College District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or

2. The conduct is so severe, persistent, or pervasive that it limits or denies the student’s ability to participate in or benefit from the College District’s educational program.

By Others
Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it limits or denies a student’s ability to participate in or benefit from the College District’s educational program.

Sexual Violence
Sexual violence is a form of sexual harassment. Sexual violence includes physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the victim’s use of drugs or alcohol or due to an intellectual or other disability.

Examples
Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual na-
ture; rape; sexual assault; sexual battery; sexual coercion; and other sexually motivated conduct, communications, or contact.

Physical contact not reasonably construed as sexual in nature is not sexual harassment.

**Gender-Based Harassment**

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student’s gender, the student’s expression of characteristics perceived as stereotypical for the student’s gender, or the student’s failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct limits or denies a student’s ability to participate in or benefit from the College District’s educational program.

**Examples**

Examples of gender-based harassment directed against a student, regardless of the student’s or the harasser’s actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

**Retaliation**

The College District prohibits retaliation by a student or College District employee against a student alleged to have experienced discrimination or harassment or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or otherwise participates in an investigation.

**Examples**

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

**False Claims**

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a College District investigation regarding discrimination or harassment shall be subject to appropriate disciplinary action.

**Prohibited Conduct**

In this policy, the term “prohibited conduct” includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

**Reporting Procedures**

For purposes of this policy, a “responsible employee” is an employee:

1. Who has the authority to remedy prohibited conduct;
2. Who has been given the duty of reporting incidents of prohibited conduct; or
3. Whom a student reasonably believes has the authority to remedy prohibited conduct or has been given the duty of reporting incidents of prohibited conduct.

The College District designates the following persons as responsible employees: any instructor, any administrator, or any College District official defined below.

**Student Report**
Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a responsible employee or submit the report electronically through the College District’s website. The submission of an anonymous electronic report may impair the College District’s ability to investigate and address the prohibited conduct.

**Employee Report**
Any College District employee who suspects and any responsible employee who receives notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate College District official listed in this policy and shall take any other steps required by this policy. An employee who does not meet the description of a responsible employee in accordance with this policy may alternatively submit the report electronically via the College District’s website.

**Exceptions**
A person who holds a professional license requiring confidentiality, such as a counselor, or who is supervised by such a person shall not be required to disclose a report of prohibited conduct without the student’s consent.

A person who is a nonprofessional counselor or advocate designated in administrative procedures as a confidential source shall not be required to disclose information regarding an incident of prohibited conduct that constitutes personally identifiable information about a student or other information that would indicate the student’s identity without the student’s consent, unless the person is disclosing information as required for inclusion in the College District’s annual security report under the Clery Act [see GCC].

**Definition of College District Officials**
For the purposes of this policy, College District officials are the Title IX coordinator and the College President.

**Title IX Coordinator**
Reports of discrimination based on sex, including sexual harassment or gender-based harassment, may be directed to the Title IX coordinator. The College District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended:

Other Anti-discrimination Laws
The College President or designee shall serve as coordinator for purposes of College District compliance with all other antidiscrimination laws.

Alternative Reporting Procedures
A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator, may be directed to the College President.

A report against the College President may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Timely Reporting
Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the College District’s ability to investigate and address the prohibited conduct.

Investigation of the Report
The College District may request, but shall not require, a written report. If a report is made orally, the College District official shall reduce the report to written form.

Initial Assessment
Upon receipt or notice of a report, the College District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the College District official shall immediately notify the parties to the complaint of the allegations and the formal and informal options for resolution of the complaint.

If the College District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the College District official shall refer the complaint for consideration under the appropriate policy.

Informal Resolution
If the parties voluntarily agree to participate in informal resolution of the complaint, the College District official shall determine if informal resolution is appropriate for the complaint. If the official determines that informal resolution is appropriate, then the official may facilitate that resolution. If the official does not determine informal resolution to be appropriate, then the complaint will be subject to the formal resolution process.

DATE ISSUED: 12/5/2017
UPDATE 33

FORMAL RESOLUTION, HARASSMENT, AND RETALIATION

SEX AND SEXUAL VIOLENCE

FFDA (LOCAL)

Formal Resolution
If any of the parties decline to participate in informal resolution of the complaint or the College District official finds informal resolution of the complaint to be inappropriate, the College District official shall authorize or undertake an investigation, except as provided below at Criminal Investigation.

Interim Action
If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the College District shall promptly take interim action calculated to address prohibited conduct prior to the completion of the College District’s investigation.

College District Investigation
The investigation may be conducted by the College District official or a designee or by a third party designated by the College District, such as an attorney. The investigator shall have received appropriate training regarding the issues related to the complaint and the relevant College District’s policy and procedures.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Criminal Investigation
If a law enforcement or regulatory agency notifies the College District that a criminal or regulatory investigation has been initiated, the College District shall confer with the agency to determine if the College District’s investigation would impede the criminal or regulatory investigation.
