Good Afternoon!

Please join me in thanking our dedicated and enthusiastic faculty as we honor them during this, **World Teachers' Day!** 🙌

Although a number of websites state that *World Teacher's Day* was first observed in 1994, the date, October 5th, actually commemorates the anniversary of the adoption of the **1966** UNESCO Recommendation concerning the rights and responsibilities, recruitment and employment, and teaching and learning conditions for Teachers.

**So, thank you faculty**, for all you do for our students and for Western Texas College! We couldn't do it without you!

Although the official celebratory event will take place at UNESCO Headquarters in **Paris** on October 7th, please accept our hearty stateside ***merci et félicitations!***
