

## MyPlan

The WTC Counseling Center offers a number of resources for exploring careers. Websites, books, and handouts are available to help students learn more about specific occupations.

For individuals who are uncertain of their career interests or who need confirmation that they are pursuing the right field, career tests are available. Various interest surveys and personality inventories are available free of charge including:

Go to: [MyPlan](#)

CODE: **2EG6CYNE**

Go to "create new account" Once you create an account you can take the personality and interest inventories. You will also want to do the skills profiler and career match.

- Interest Inventory
- Personality Inventory
- Career Skills Profiler
- Career Values Assessment
