

How to See My Grades

All final grades are posted on the MyWTC website. They are not mailed to students. To access this site:

- Go to <https://my.wtc.edu>. User Name is usually your first name.last name (ex. john.doe). Password is your student ID number.
- Select the “*Campus Connect*” tab. Next screen select the box, “Click here to acknowledge this message and continue”.
- Next screen select the “Registration” link and from the drop down menu select “Grade Viewer”. (*Flex refers to courses which begin or end at different times than the regular semesters, ex. Mid-winter, Maymester, etc.*)
- Your final grade is under the “*Grade*” column. The 1st, 2nd, or 3rd columns refer to earlier quarterly grades that may have been submitted earlier.

If you have questions or difficulty accessing the MyWTC site, consult with an online advisor, Korie Allen, at kallen@wtc.edu or support@wtc.edu
