Western Texas College Upward Bound Newsletter Feb'13 / March'13 / April'13

Welcome back to a new semester everyone! We are excited to see you all excel in your studies and to get our seniors ready for college. Congratulations to those of you who have been accepted already! We will be helping you with your FAFSA very soon. Everyone else, begin thinking about summer plans! Are you going to join us for our summer program this year, get a job, or just stay home and be lazy? Please don't do the last! You won't want to miss what we have planned for you in June and July! We will challenge you in courses to prepare you for the next year, and take you on trips that will be tons of fun. You will get to know other UB participants from other schools and get to know us UB staff even better. We are so excited to begin making our final preparations and hope you all will make the effort to participate.

We know life is about change. We have lost a couple of participants due to moves or life events, and they will be missed. Please keep us informed of your life and changes as well. We care and want to help in any way we can! Good luck to you all this semester! See you soon!

Your Director,
Rachael

She weighed 6 lbs and 6oz and was 20 ¼ inches long. Stella is still on maternity leave and we will see her when she comes back! Congratulations!

We would like to take this time to congratulate Daphny! She received her Associate's Degree in December. We are very proud of her and wanted to share the news with you all. See? It's never too late to get an education. Way to go Daphny!
