A Note from the Director

Welcome back students!

You have often heard us say, "Life is about change."

There will indeed be much of that this year. Our seniors have graduated and many have gone on to college; we are so proud of them! Now it is time for us to get you ready to do this as well. Seniors and juniors of 2017-2018, get ready! We will be helping you and preparing you for your futures very soon.

One other change is that we no longer have Daphny with us. We will miss her, but we have a new administrative assistant who we are excited for you to meet. Her biography is included in this newsletter, and she will be coming to some of our meetings to meet you all.

I hope your year has started off strong. We will be seeing you very soon!

Say Hello to Chelsea Chaidez!

Hello, students! I am Chelsea Chaidez, the new Administrative Assistant in the Upward Bound office. I graduated from Snyder High School in 2013, and attended Western Texas College. I graduated from WTC in 2015 with an Associates of Arts in Sociology.

Following my accomplishments at Western Texas College, I attended Angelo State University. I received a Bachelor's degree in Sociology and a minor in Psychology.

While attending ASU, I was given the opportunity to be a First Generation Mentor for new students at the university. I was also involved in a small sorority called Sigma Phi Lambda which is translated as Sister for the Lord. While being joined by this sisterhood, I had many life changing experiences and have been able to apply them to my new job!

I look forward to meeting each and every one of you. I hope you all had a fantastic summer, and have an even better school year!
