

- Students are responsible for knowing and adhering to the drop date deadlines for withdrawal on the Western Texas College academic calendar.
- Submitting this consent form does not guarantee eligibility or enrollment into the program or selected courses. Eligibility and enrollment into the Dual Credit program and courses is dependent on a complete application packet submitted by the deadline and qualifying test scores for each course selected, as determined by Western Texas College and the high school.
- Grades earned in dual credit become part of the student’s permanent academic record and will be reflected on the college transcript.
- Students may be enrolled in dual credit courses approved by the high school.
- Students must attend their Dual Credit class regularly and turn in all required assignments. Students may be withdrawn for lack of attendance and/or lack of progress. This attendance policy pertains to all students enrolled in any section of a dual credit course on any campus with the exception of homebound students. If for any reason the student is not attending the Dual Credit class at the high school regularly, he/she will be withdrawn from the class (includes students sent to alternative school and homebound students). Students underperforming are encouraged to drop the course before the drop date.
- Students who choose to take regular college courses outside the dual credit program requirements will be admitted as Early Enrollment and responsible to meet all admission requirements for the program as well as pay full tuition and fees based off residency status for all courses.

FERPA
