Section VII APPLICANT'S RESPONSIBILITIES, cont.

8. I understand that payment may not be made to a student who is in default on a loan or owes a refund of federal aid received under the Pell Grant, State Student Incentive Grant, Supplemental Educational opportunity Grant, Perkins Student Loan, Stafford Student Loan, and/or College Work-Study. Should a student receive funds for the current year and subsequently it is determined the above conditions apply, it will be the student's obligation to make full restitution of the funds received.
9. I understand that I must maintain satisfactory academic progress standards toward my degree objective to retain eligibility for financial assistance.
10. I agree that I will notify the Financial Aid Office of any scholarships, grants in aid, fee exemptions, rehabilitation funds, and similar designated awards received in addition to any financial aid awarded and/or to be awarded. I understand that failure to comply may result in over-awarding, the lowering or cancellation, and/or immediate repayment of financial aid received. As a result of changes in my enrollment plans, adjustments to my financial aid package may occur.

Section VIII SUMMARY OF GENERAL POLICIES

1. **SELECTION CRITERIA:** Applications are first considered for gift assistance, work opportunity, and for loan assistance, respectively.
2. **FINANCIAL ASSISTANCE:** Western Texas College will determine the amount and origin of aid. Notice of decisions generally will be mailed to the student/applicant in the form of a "Financial Aid Award Letter." A student has the right to accept or reject all or part of the award package offered. Substitute funds may not be available to assist in meeting your cost of education should you reject the initial offer.
3. **SATISFACTORY ACADEMIC PROGRESS:** Beginning students must be accepted for admission to Western Texas College before any financial aid can be affirmed. For continued financial assistance, students must avoid financial aid suspension. Students must maintain a 2.0 cumulative grade point average and complete 67% of classes enrolled during each academic semester. All aid will be automatically canceled if you fail to make/maintain Satisfactory Academic Progress prior to the actual disbursement of the funds.
4. **NOTICE REQUIRED:** The Financial Aid Office must be notified of all prospective and/or present scholarships, grants-in-aid, fee exemptions, rehabilitation funds, and similar designated awards received in addition to any financial aid awarded or to be awarded as a result of a processed General Financial Aid Application. Failure to comply may result in over-awarding the lowering or cancellation and/or immediate repayment of financial aid.
5. **REPAYMENT:** Section 668.22 of the Higher Education Amendments of 1998 requires that Western Texas College calculate a return of unearned financial aid for any student who totally withdraws within the first 60% of the semester or makes all F's in his/her classes. This calculation is based on calendar days. Even though WTC does not have a required attendance policy, attendance of classes is very important. Funds will be returned to the various federal programs according to a schedule established by the Department of Education. This may result in the student owing a balance to the college and/or the federal government. Students should contact the Financial Aid Office for additional information prior to withdrawing from classes.

Western Texas College is an equal opportunity institution and is in compliance with the American's With Disabilities Act. Applications are accepted and considered without regard to race, creed, color, sex, age national origin, religion, veteran's status or disability.
