

Job Title: Government Instructor

Category: Full Time, 9-month contract

Salary: College Scale

Overall Job Responsibilities: Instruct college level government courses for freshman and sophomore students. College-level instruction is taught in an on-campus face to face environment, hybrid format, via ITV to area high schools, at area TDCJ correctional facilities, and as Internet-based courses. Perform other duties as assigned.

Qualifications:

- Master's degree in Government or Political Science or a master's degree plus 18 graduate hours in Government or Political Science.
- Master's degree and 18 graduate hours in two Social Science fields preferred.

To apply:
